Hello, my name is Monika Szeremyne Jakab. I am fairly new to the area, having relocated to Englewood from Fort Lauderdale just before Hurricane Ian struck.

Unfortunately, Ian wiped out everything at my previous location, which was dedicated to running an online store.

It was a challenging reset, but after stumbling upon this location at Oaks Plaza, I was granted the opportunity to transform my online store and expand into a cafe and deli.

I am truly grateful for the warm welcome I've received from both Hungarians and Americans in this community. It's been a pleasant surprise to see how receptive Americans are to the cuisine and flavors we offer.

Our kitchen has grown to encompass a wider range of culinary delights, including

soups, sandwiches, and salads that can be enjoyed by everyone. Our commitment to quality means that we import the finest ingredients from Hungary.

I'm now embarking on the next phase of my business journey by expanding into the adjacent space. This new addition will feature locally sourced fresh fruits and vegetables, alongside homemade pastas and sauces. We'll also stock local honey and homemade pickled vegetables. Additionally, there will be a dedicated smoothie corner where we'll craft made-to-order smoothies using the fresh fruits and vegetables available in the store.

It is so important to me to sell the best and highest quality ingredients so these two stores will go hand-in-hand to be able to create full meals of the best quality.

I am the proud owner of the newest ladies clothing boutique here in Englewood, Aura boutique.

Aura opened its doors in March, 2022. I have worked in the retail industry since the 1980s. This is my first experience being an owner. I really do enjoy getting to know our customers and making a connection with them. The staff here at Aura is looking forward to providing our customers with an unparalleled boutique experience. Private shopping is available to those who prefer to shop privately or with a group of friends. Call to book an appointment. We carry ageless, contemporary apparel consisting

of cottons, linens and silks made in the USA and Italy. Each line is thoughtfully selected to accommodate a woman's busy, multifaceted lifestyle. We strive to make everyone look and feel their best.

My husband and I relocated to the Englewood area in 1992. We feel so fortunate to have been able to raise our four boys here in this great little town.

ABOUT

## SUE ATAMANCHUK

Hailing from Long Island, Sue Atamanchuk journeyed to Englewood in 1997, accompanied by her husband Rocket and their three sons.

Over the course of 25 years, the couple has not only sustained but also expanded their entrepreneurial ventures. They initially made their mark with Englewood Beach's beloved gathering place, Lock 'N Key Restaurant & Pub.

Their portfolio grew in 2017 with the acquisition of SandBar Tiki & Grille, followed by the inauguration of Magnolias On The Bay in December 2021. Most recently, Sue has added the Manasota Key Marina to their burgeoning list of successful establishments.

When queried about the formula behind their enduring success, Sue credits their phenomenal team: "Rocket and I are immensely grateful, as we owe our accomplishments to an extraordinary team that has empowered us to reach these heights." Committed to community involvement, they maintain robust partnerships with local organizations such as the Chamber of Commerce, YMCA, Sunrise Rotary, Boys & Girls Club, and FRLA.

Being part of a team is crucial to success in this business. To quote Amy Poehler, "Find a group of people who challenge you, spend a lot of time with them, and it will change your life forever." I feel that is what Patty and Shane have created at Reliable Cabinet Designs. We are a group that works together on a daily basis to bring the best possible product and service to our clients. From the management team to the

designers, all the way to the installation and delivery crews. Solid communication between the client and our team, paired with integrity and high moral standards, is what makes RCD so successful. In all my years working in various fields, I feel this is the most comprehensive and supportive group of people I have had the pleasure to work with. I genuinely look forward to going to work every day.

Every piece of jewelry has a story. Whether the story is hundreds of years old or a few months old, the story is always heartfelt, and has a heritage. Here at Englewood Jewelers we are professionals who honor your legacy, or the legacy you want to pass on, by being your hometown jeweler. We are here to assist you in selecting a lifelong gift given from the heart.

We are family-owned and have been in the jewelry business for 40 years. Englewood is a warm, close-knit town that we are happy to be living in. After all, about 20 years ago we only vacationed here!

What do you get when you walk through our doors? Personal service with a greeting from our pups: a pug named Dancer, and a shih tzu named Pippi. Our pug, Ruby, has been greeting our customers for nearly 17 years. Kevin is a master goldsmith with exquisite skills in jewelry design and repairs. Our associates Pat and Cheryl are knowledgeable and personable.

Our "sister store", Downtown Jewelers, is managed by Katy, who is a wiz! Chirpy and sincere, you will find Katy and her sidekick pup, Josie, on Dearborn Street in Olde Englewood Village.

My husband, Kevin and I believe in giving back to our community and are Rotarians and Chamber members. I have been honored to be a Big Sister for 30 years and am involved with many more activities involving our youth. Our store is Better Business Bureau accredited and we have been voted "Best Jeweler" in Englewood year after year.

We thank you, Englewood, for supporting small businesses, and for trusting us to be your hometown jeweler!

I was once told if I wanted to make people happy, sell ice cream. So that is exactly what I did! In 2014, my husband and I acquired *A Better Scoop Ice Cream Shop* and we have been making people happy with ice cream ever since. We make all of our ice cream right here in this amazing small town of Englewood at *The Arctic Alligator Creamery*. Englewood is an amazing community and I love being a part of it. There are so many great small business owners and residents that have become friends over time.

My husband and I are originally from Cleveland, Ohio. We have 2 daughters, Kinleigh and Kaelyn, who you may see at the shop from time to time. One day they will probably be scooping your ice cream. In fact, one of my favorite parts of owning an ice cream shop is watching all the regular elementary school kids grow up. Sometimes *A Better Scoop* ends up being their first job. Then we can bore them with stories about when they came in for ice cream as a kid. We are truly blessed to be a part of this wonderful community and excited for the future.

Manasota Beach Club (MBC) is entering its 64th season with exciting new plans. Robert and Sydney Buffum purchased the property in 1960. It has been a family owned and managed resort for over sixty years. Sydney B. Crampton (Buffy), second generation, has taken over the running of the resort. MBC has had generations of winter guests, members and seasonal staff returning year after year. And, for the past twenty years, summer cottages have been available to rent. A quiet, peaceful get-away...

MBC is renowned for its natural setting overlooking the Gulf of Mexico and Lemon Bay and its continuing tradition of excellent service, congenial guests, members and an outstanding staff. We are listed on the National Register of Historic Places. All of our cottages were included in the special historic district. The main Clubhouse is over one hundred years old, built in the early 1920s. Other cottages were built or added and incorporated into the Club over the years.

From a simple boarding house (clothing optional) 1920's-1930's to a hunting and fishing lodge 1940's-1950's, and now, MBC features an American Plan resort with tennis courts, pool, pickle ball court and Bay boating access. Guests enjoy nature, paddle boarding, kayaking, swimming and snorkeling on the inshore reef and looking for shells and fossils on the beach. Manasota Beach Club is a popular destination for family reunions, small business retreats and an exquisite wedding location.

Lynn Wilson, Operations Manager, is also our site/event coordinator for weddings and special occasions. Call to set up an appointment with Lynn to discuss having your special day or event at MBC. Hayley Murray, full-time reservationist, is greeting guests and members. We would also like to recognize the housekeeping team, which consists of Teresa Watson and Ashlee Doot, as year round staff.

The office is open seven days a week, year round.

My husband, Mike Taylor, and I purchased Englewood Lock and Key in January of 2017. Since then, I have taken to the automotive side of locksmithing. I can gain access to vehicles, program fobs and remotes, and even help when all keys are lost.

Mike and I went to high school together and, 25 years after graduating from Lemon Bay High School, we began dating. On 2/22/22 we made it legal and, together, we share 4 children, Andrew, Marissa, Madison and Michael, and 5 grandbabies.

I am also a realtor with Paradise Exclusive. I love meeting new people and walking them through the selling or buying of their home process. The two jobs mesh well with each other.

To say that I like this community is an understatement. I LOVE this community.

## A. Marie Bronson

**Shear Sailing Salon  
Swirls & Curls Ice Cream  
Sunnybrook Realty**

6945 Sunnybrook Road  
**941-662-2405**

In 1986, A. Marie Bronson moved to Englewood, FL from the Pocono Mts in PA. Prior to the move, Marie owned a successful Salon in PA. Ready to take on a new challenge, she took over a failing salon on Placida Rd. and turned it into a successful business, adding a second location along the way. After 30 years, Shear Sailing Salon continues to thrive as one of the most successful business in Englewood area.

In 2003, Marie obtained a real estate license, and later, a Broker's license and started Sunnybrook Realty, which proved to be a good decision for future ventures.

In 2008, with the change in the economy and a recession, there was a need to get creative. As a result, a new business was born, Swirls n Curls Ice Cream. With a lot of hard work and a bit of juggling, Marie has created and operated three successful companies: Shear Sailing Salon, Swirls n Curls Ice Cream, and Sunnybrook Realty.

Their family-owned business will continue down to future generations. Love what you do, offer a good quality product and try to be an asset to the community..

### Words from my valued past customers:

"With Jenn's expertise and advice, my home went on the market and closed in 9 days! Jenn is professional and personable, helping guide me through the whole process. I rely on her knowledge and recommendations. To date; this is my 2nd home I have sold with Jenn's guidance and she has also helped me purchase 3 homes during my time here in southwest Florida."

"I've been investing in real estate for a very long time and have worked with many realtors over the years. In my experience, Jenny Clifford is the absolute best realtor I have ever worked with in my career. I recently sold a property and had

found the buyer myself, but chose to pay Jenny to coordinate the details of the sale. I can tell you that sale would not have gone through without her assistance. I am extremely grateful for her professionalism and her dedication to her work!"

"Jenn is very knowledgeable, honest, and knows the Englewood area very well. We were first-time buyers, and asked many questions, and she patiently answered all of those questions. She always responded on time, and provided documentations and information timely."

"Jenny is truly an asset to Keller Williams and to all of her clients that she works for. She is extremely knowledgeable.

**Rumours Wine Bar**

Lemon Bay Plaza

**941-473-9463**

[www.rumourswine.com](http://www.rumourswine.com)

Along with my husband, Jerry, we are the owners of Rumours Wine Bar, located in Lemon Bay Plaza. I have enjoyed being a member of the Venice and Englewood communities since 2004. Entering our fourth year of business is so exciting for us! We survived and thrived through a worldwide pandemic and a hurricane that threatened to destroy everything in our community. We have met the most amazing people from all walks of life, thus broadening our friendships as well. The support and encouragement we receive, not only from our customers but our community as a whole, is sometimes overwhelming, and at the same time, such a blessing. We are proud to have been voted "Best of Englewood" in five categories and "Finalist" in two categories...I guess we really are "The Talk of the Town!"

We offer over 25 wines by the glass and an additional 200 to choose from. We offer domestic and imported wines from around the world. We also offer a variety of beers, seltzers, sangria, and my nearly

famous Espresso Martini. We offer a selection of "Nibbles" that are made when ordered. Our Grazing Boards are quite impressive and a feast for both the eyes and the appetite. We have quickly become known for our Best of Englewood homemade soups and were voted runner up for our fun flatbreads too.

Our Wine Club Social has become a very popular event each month and our Members, as well as non-members, have come to appreciate the educational value and the great food pairings.

We offer dynamic and unique gift baskets and a small selection of hats, shirts and funny signage. Our featured musicians get our feet stomping and our heads bobbing. Crafting/painting parties and cake decorating events have been great additions to our venue.

We are excited about this next year, as we continue to grow and want you all to be able to keep up with our events, special tastings, and

other exciting news. Please consider joining our email list by visiting our website at [www.rumourwine.com](http://www.rumourwine.com). You can follow us on social media, as well. We also invite you to consider having your private event at Rumours Wine Bar or use us to cater your event.

Our business hours for the bar are Wednesday-Thursday 11 am-8pm "ish" and Friday-Saturday 11 am-9pm "ish".

Cheers,

### All Veterans-All Families Cremations, LLC

693 Old Englewood Rd., Ste. B, Englewood FL

941-460-6324

[www.allvetscremations.com](http://www.allvetscremations.com)

[Cathy@allvetscremations.com](mailto:Cathy@allvetscremations.com)

As owner, I am happy that I can be of service to my community, family and friends as a direct cremation provider. Changing careers and entering the death care industry in the second half of my working life is a risk that I am glad I took.

Helping people deal with life's most difficult challenges is part of my job and I support them with dignity and grace as they walk through their times of grief and transition. I love working with families and strive to bring them peace of mind.

What is a direct cremation provider? I handle only cremation services. That includes transportation from the place of death to the crematory, processing all the paperwork, working with families on vital statistic information, and delivering your loved one's ashes. Since I am not a full service funeral home, I can pass much of the savings of overhead costs on to the families.

My training was exhaustive and included a BA degree from USF Sarasota/Manatee, where I graduated summa cum laude, completion of the mortuary science curriculum from St. Petersburg College, and a full year internship with Don Terry at All Veterans-All Families Funerals & Cremations, located in Sarasota. I continue to work with Don and assist with his services as well.

After 30+ years of building a wide spectrum of administration skills, together with mentoring women on a volunteer basis for better than 30 years, I have found my niche in the death care industry completes all the experience that I have. I love what I do and am proud to give back to my community. For me, there is no greater reward than to work with a person or family and say, "I hear you, I see you, thank you."

# Breast Cancer Awareness

## Prevention

More than 200,000 women are diagnosed with breast cancer in America each year, but there are steps you can take to reduce your risk. Healthy lifestyle choices like consuming a low-fat diet rich in fruits and vegetables, engaging in regular physical activity and avoiding cigarettes and excessive alcohol are all important steps in helping to prevent breast cancer. Early detection is also key in the fight against breast cancer, so be sure to perform a breast self-exam each month, and ask your doctor when to schedule mammograms and other screenings.

Join us in raising awareness of the importance of early detection in the fight against breast cancer and the importance of continued support for breast cancer research.

General Manager

**Beach Road Wine Bar & Bistro  
and The Waverly Restaurant & Bar**

Beach Road

**941-475-3500**

I began my Englewood adventure alongside my Connecticut childhood friend, Jill Hemmes, in 2017 after moving here from Charleston, South Carolina. I started working with Jill at Beach Road Boutique before moving into the Beach Road Wine Bar and Bistro as the General Manager.

In May, 2022, the Bistro closed temporarily for phase one of a major renovation. During that time, I made the move to our sister restaurant, The Waverly, as General Manager.

Life took another turn in September when hurricane Ian hit. The Waverly and Bistro had extensive damage. The decision was made to get The Waverly up and running first. I have been working closely with Jill, Scott and the Truex team overseeing the renovations

for both establishments. I am excited for the fall grand re-opening of the main dining room at The Waverly.

This September, my husband, Dennis, and I celebrated 19 years of marriage. We have two amazing children, Anthony and Gina-Marie. We are the proud grandparents of our beautiful Peyton Rose, and this July, we welcomed our newest ray of sunshine, James Louis IV.

I also enjoy working closely with the Englewood Chamber of Commerce. In June, 2022, I graduated from the Leadership Program and currently serve on the Englewood Leadership Council. I look forward to staying active in the community and seeing the continued growth of this fabulous town which I'm proud to call home.

Originally from Northcentral Wisconsin, Heather spent much of her childhood fishing, camping, and wandering about her country neighborhood. It was actually a moment while stationed at Ft. Bragg, NC that prompted her to become a pet groomer. She has always had a love for pets, wildlife and the environment, even as a young child she would refer to her hands as her paws.

While spending eight years in the Kansas City, MO area to finish her bachelor's degree, she took her love for nature and became a Missouri Master Naturalist, an intensive volunteer, and educational-based

program taking approximately a year to complete. As a side venture she is currently working on her Master's in Publishing through George Washington University.

Since returning to the Venice/Englewood area, Heather has opened her new luxe-style pet grooming studio. Having more than 30 years of experience and finishing multiple training programs, I have worked behind the chair specializing in hair color, chemical-free manicures, as well as shellac manicures. I've been a spray tan artist and professional makeup artist for over 25 years, perfecting that perfect tan without the harmful rays of the Florida sun. Having been invited to work on the set of "Say Yes To The Prom Dress"

as one of DinAir's Top Makeup Artists, my opportunities were, and still are, endless.

I continue to expand on my knowledge of the industry by attending classes and hair shows to learn from the industry's best and top leaders. Education is key to success in this industry as styles and trends are always changing.

If you love your work, like I do, then you're already a success.

Co-Owner

4425 Placida Rd., Englewood  
**941-697-3737**

[www.GallowayRoofing.com](http://www.GallowayRoofing.com)

Renée Galloway is the Co-Owner of Galloway Roofing, LLC in Englewood, FL along side her husband, David Galloway.

Since 2006, both Renée and Dave have been working with their community as volunteers, with a variety of organizations including the Placida Rotary, Take Stock In Children, Adopt-A-Road, Lemon Bay High School, L.A. Ainger Middle School and Myakka River Elementary, as well as many others.

The Galloways raised their children here in our little peninsula's paradise and have made sure they were both instrumental in volunteering in Southwest Florida.

Renée found her inspiration in the roofing industry when she realized there were very few females. Together, the Galloway family wanted to bring a sense of "family" to Galloway Roofing, so they always refer to their team as extended family and they are all treated as such.

Both Renée and Dave feel they have a symbolic marriage and business relationship where they help one another reach higher ground. Together the Galloways share two wonderful children, Chance, who is the company's sales manager and essential in the integrity of Galloway Roofing, and their daughter, Savanna, who holds her maritime captain's license and works out of the Port of Tampa.

Renée's brother, Chris Fanelli, is the company's CFO. Their "second daughter", Syd Orlick, is their Operations Manager. Ricky Hall is the company's GM and oversees the commercial department, Joseph and Marcia are key team players, Kait Currey fields the companies calls since Hurricane Ian, along with the over one hundred and twenty diligent, dedicated roofing installers, managers and administrators! "Without this team, our company would not be voted The Best Roofing Company in Englewood", says Renée.

"As a woman, I feel it is essential to reach out to other women to dive into the roofing industry," explains Renée. "The industry needs powerful women to direct and conquer alongside the men in the trade."

The number of roofs installed in our area is astronomical and we are so grateful to our community for putting their faith and trust in the Galloway Roofing Team!

We Salute You, Southwest FL!

## Lee Kurimoto-Renaud

Owner

**Cedar Valley Crafts**

232 N Indiana Ave.

**941-681-2313**

[www.CedarValleyCrafts.com](http://www.CedarValleyCrafts.com)

Cedar Valley Crafts was established in May, 2020. Since the Pandemic opening, they have continued to grow and expand their inventory. Lee is an Alaskan native who spent the last 30 years teaching in Los Angeles. She and her husband, Tom, moved to Englewood in December, 2018 to be closer to Lee's mother. After living in their new home off Dearborn Street for a year, Lee was sad that no quilt shops were near by. She had sworn to avoid driving in her new life as much as possible after battling freeways of Los Angeles for many years.

Cedar Valley Crafts opened on May 15th, 2020 with ten bolts of fabric. Tom built all the shelving and cutting table. Slowly, the shelves filled and the customers came. Business really exploded when Lee invested in a Long

Arm quilting machine, and the orders poured in. Sometimes, when a class is in session, the shop is filled with laughter. Cedar Valley Crafts not only offers gorgeous fabrics, but you can also pick up embroidery supplies, cross-stitch patterns and kits, Amish quilts and hand turned wooden bowls. Truly, everything in the shop is "Handmade with Heart."

Lee and Tom's background in the Arts really pays off when designing and helping customers pick the perfect materials for their next project. At Cedar Valley Crafts, you are treated as a person, not a number. Customer service is our priority as well as superior products. The hours of operation are Tuesday-Friday 10-6 and Saturday 10-3.

Happy Crafting!

I have lived in the area for more than 20 years and graduated from Lemon Bay High School after moving here my senior year. Twelve years ago, I became an Avon Representative and National Recruiter. I've never looked back!

I initially started as a stay-at-home mom, joining Avon for something to do, adult interaction and the ability to be with my two small children. Little did I know just how big my business would become!

I've met many amazing people, created lasting friendships and I have wonderful customers. One of

the best things about my job is helping people find the perfect products for them. Whether it's skincare, makeup or keeping the mosquitoes away, I'm enjoying myself and never feel like I'm working!

Over the years, I have been able to raise money for countless charities and organizations through Avon fundraising. Helping our little town is a part of who I am, and I love it!

I work with a top-notch group of ladies and gentlemen and am always eager to add to my team! It's a great opportunity to become your own boss.

I'm honored to be in my 26th year of providing various fitness & wellness services within our amazing community! My business, ReJeneration, and I have evolved and expanded SO much, now offering everything from mobile personal training to end of life compassion care! Caring for my father at my home for the last 9 blessed years of his life completely opened my eyes and heart to the beauty of living and loving in the present moments. His death was so sacred for me and fueled a new passion to provide similar comfort, peace and respite to others in need during such hardship and heartache.

My fitness background consists of health club management, studio ownership, land and water aerobic instruction, weight loss & management education,

advanced study for special populations, pre and post orthopedic rehabilitation exercise design, reiki 2 practitioner, hands on assisted body stretching, assistant chiropractor duties, intrinsic strengthening for spinal wellness, and exercise education. I am fortunate to have worked with and for some of the most well educated, versatile Doctors of Chiropractic, PHD's, MD's and physical therapists.

I find such joy and testimonial success working with special populations. I enjoy "family fill-in" assisted living visits, wellness checks and personal home care needs, side by side with hospice.

I do what I love and love what I do, so it's never been "work" for me. I am way too blessed to be stressed, so let me help you remember that you are too.

I lived in Tampa for 40 years, and for 28 of those years I was employed by CBS Radio as an on-air telephone screener for the nationally syndicated Ron & Ron show. Then I co-founded the Sportschix show. During those years I explored and developed the side gig of home decorating and re-purposing old, solid wood furniture, giving it new life.

During my 40 years in Tampa I watched the city grow up, and then explode. By 2022 the congestion became more than my husband, Paul, and I could bear. A girlfriend told me about Englewood and Boca Grande and the small-town charm of the area. In 2022 we moved to the area and eventually bought a home in Boca Royale...right before Hurricane Ian.

Looking for something to do and seeing the need, I took the risk and opened a 3,500 square foot retail space on Dearborn

Street that had not been occupied for five years. There I can properly display my furniture for anyone interested.

It motivates me to re-purpose beautiful, old, solid wood furniture by cleaning it up and using my artistic talents to restore or repaint the piece to give it a beautiful new life. I just love providing beautiful things for the many kind people in the Englewood, Venice and Boca Grande area. I also very much enjoy decorating rentals and condos in my spare time.

I'd like to thank the many kind people who have welcomed me with open arms. I've just been open for a couple of months, and I've already sold over 100 pieces of large furniture. Also, a big thank you for those allowing me to consign their furniture.

Stop in and see my ever changing inventory, I'd love to meet you.

Thoroughbred Golf Carts has been a family owned and operated business in Englewood for over 26 years. We are thankful and blessed to be a part of such an amazing community. My husband, David, is the general manager and we work together every day!

Eighteen years ago, my husband, David, and I moved here looking for something new. We packed up our home and moved from Connecticut to Florida and it was the best decision we ever made! We now have two daughters, Meghan (16) and Madison (14). Over the years, we have learned to appreciate every day and live life to the fullest. On the weekends we love to spend time together camping, boating and just having fun making memories! As they enter the work force, we are excited to have them be a part of our team as well.

I am also enjoying being on the Waterfest Board of Directors running the Family Conservation Center. We have so many fun and exciting things coming up!

Thoroughbred Golf Carts offers storage, rentals, service and new or pre-owned sales. We pride ourselves in the customizations we have created over the years. We are also a Tomberlin dealer, which is an American made Low Speed Vehicle (LSV). Stop on by and take one for a test drive! Thoroughbred now also offers secured storage for your vehicle, camper, boat, trailer, etc. I would like to thank all the members of our team, we could not do it without each and every one of you.

Come down and say hi at 3301 Placida Road. We are a Breed Above the Rest!

Family Owned & Operated

Facebook.com/SuncoastEstateBuyer

Jessica Eckhoff and Lindsay Lucarini are passionate about their family business, Suncoast Gold & Silver, LLC. As buyers and sellers of gold, silver, platinum, diamonds, and coins, both women know how special and unique it is for them to work in the mostly male dominated jewelry industry. They both feel a great sense of pride in the award-winning shop and their daily interactions with the community of Englewood.

The two women love to assist their clientele with the selling of their unwanted items, and they have years of experience and expertise in evaluating your gold, silver, platinum, diamonds, flatware, and collectible coins, bullion, and currency. Jessica's focus is on vintage jewelry and handmade Southwestern studio pieces. Lindsay's love of unique jewelry helps her niche specialty, evaluating couture items. "Our job is an adventure- like reverse treasure hunting.

You bring us your items and we find you the most value," says Lindsay.

For over 10 years Suncoast Gold & Silver has been located at the corner of Rt. 776 (S Indiana Ave.) and West Green Street. Customers are pleased to find our shop also offers estate jewelry and numismatic treasures for sale. Because our jewelry is previously owned and reconditioned, it is significantly more affordable than what you find for sale in retail locations. Jessica says, "Our customers are always surprised by how budget-friendly our selection of beautiful estate jewelry is."

Jessica and Lindsay operate Suncoast Gold & Silver along with Jessica's brother and Lindsay's husband, David, and father-in-law, Paul, the owners. The family invites you to come in and see what your unwanted jewelry box treasures are worth. You may even find something new to love in our selection of estate pieces!

Sweet Leaf Relief And Wellness  
Get The Quality Of Life You Deserve

Today we want to shine the light on our loyal partner, Marion Lutz, of Sweet Leaf Relief and Wellness in Englewood, Florida.

Lutz found a crucial source of support from CBD after a tragic accident. She broke her neck, lower spine, and left shoulder. She had encountered CBD earlier when her brother was diagnosed with brain cancer. In the words of a neurologist in Nashville, "Get him on it now." Partnering with Green Roads has brought an array of professional accomplishments for Lutz. She noted her location garnered an incredible reputation due to the products winning an award for Best

Business 2019 from the Englewood Chamber of Commerce.

Marion says Green Roads is special because of the team's "ability to bring you in like their own. When you are with them, you are part of the team. You don't feel like an outsider." Furthermore, she felt the quality standard of Green Roads set the brand apart.

"Education is our focus," states Lutz. It is most important that customers get properly educated on all the types of products she carries, and how it's so beneficial to their health. Reach Marion at 941-716-7383, or email, marionsweetleaf@gmail.com.
